COURSE DESCRIPTION:

Course requirement to be completed in third year of the program.

The Industry placement program is seen as a critical component of the Bachelor of Digital Media. Students are placed into appropriate industry settings, either nationally or internationally. The Industry placement program will test student's ability within contemporary Digital Media environment. Each student will have an assigned Lecturer.

COURSE CONTENT:

The industry placement course content is designed to give students an experience outside of the University system in a "real world" situation. During the industry placement experience students will test their creative, technical and interpersonal skills.

Advice to Students regarding workplace safety and hazardous substances

Students should be aware of the requirement to avoid eyestrain, back, neck and repetitive strain injury (rsi) through correct posture, chair positioning and taking a break at least once every hour.

COURSE OBJECTIVES:

Gain industry experience.

ASSESSMENT:

To qualify for a passing grade all students must complete all set work, which is to be submitted on time. Where absences in excess of three (3) classes occur, students may be given a fail grade (UF). Students must be punctual and participate in all class activities. The student should be expected to show evidence of the achievement of the course's objectives.

One formal evaluation of Satisfactory, or Unsatisfactory will be made mid-session and students will be informed by their class lecturer of this determination.
